## TOPS BLACK PASTE-S

C.I. Pigment Black 7 ( 77266 )  
Chem. Group: Carbon Black

### Product Description

TOPS BLACK PASTE-S is an aqueous pigment preparation based on nonionic dispersing agents and ethylene glycol. The product has high durability, suitable for interior and exterior use.

### Fields of Application

TOPS BLACK PASTE-S is suitable for non-woven, carpet, fabric coating.

### Specification

Strength (%)	97-100
Total color difference (Delta E)	< 1.0
Viscosity (mPa.s)	< 2,500 cps

### Physical Data

Density (g/cm <sup>3</sup> )	1.2-1.5
pH	6.0-8.0

### Composition

Pigment Content (%)	40 - 42	%
Total Solid (%)	54 - 56	%
